

TCA Education Committee
Chairman---Aurora “BeBop” Krause
Members---

A.) Education Committee: Mission Statement

To create and maintain educational programs for our TCA membership that will serve to provide them with opportunities for growth and development in the “Art of Clowning”

B.) Program name and Objective:
“First of May Novice Track”

To provide new “First of May” clowns with the best opportunity to be introduced to the basics in clowning at our Texas Clown Association annual convention by making available to them a Clowning 101 Track. This program will begin with a one hour orientation session that will detail convention information including three Clowning 101 sessions that will be offered at every TCA convention.

C.) Needs for Program Success:

---Educational Committee members committed to implementation and follow-through of program structure.

---Overall TCA Board support, as needed, in form of educational funds and support as instructors for “Clowning 101” classes when needed.

---Host Alley cooperation in providing Ed. Committee with class time availability for one orientation session and three classes.
